

**TOWN OF GIBRALTAR**  
**ORDINANCE 1988-05**  
**SERVICING SEPTIC AND HOLDING TANK WASTES**

The Township of Gibraltar, except Fish Creek Sanitary District No. 1, has been designated by the Department of Natural Resources as a service area for the publicly owned wastewater treatment works, or POTW, in the Village of Ephraim.

NR113.08 Disposal of domestic septage. Every person engaged in servicing or authorizing servicing shall comply with the following requirements for disposal of domestic septage.

- (1) Disposal. (a) Septage from systems that have designated capacity at a POTW shall be taken to that specific POTW.
- (2) Disposal of wastewater from small holding tank and septic tank system shall be discharged into a POWT if the following conditions apply: (1) The holding tank is located in the POWT's sewer service or holding tank service area.

The Town board of the Town of Gibraltar is hereby instructing all wastewater haulers to dispose of wastewater generated in the Township of Gibraltar, F.C.S.D. No. 1 excluded, at the Ephraim wastewater plant.

NR113.5 Suspension and revocation – any licenses business, which engages in improper servicing or violates any provision of this Chapter (NR113) shall be subject to suspension or revocation as provided in Section 146.20 (5) Stats.

NR113.16 Penalties. Any person or business who engages in improper servicing or violates any section of this code shall be subject to penalties as provided in Section 146.20 (6), Stats.

This ordinance shall become effective upon passage and posting. A copy of this ordinance shall be sent to all licenses haulers servicing the Gibraltar area.

Dated this 3<sup>rd</sup> day of May, 1988.

TOWN BOARD OF GIBRALTAR

Ray C. Slaby, Jr., Chairman

Carl Hart, Supervisor

Pat Spielman, Supervisor
